### **PSC SETS INTERVENTION DEADLINE IN TERRITORIAL AGREEMENT CASE**

JEFFERSON CITY—Callaway Electric Cooperative and the City of Fulton have filed a joint application with the Missouri Public Service Commission seeking Commission approval of a territorial agreement. The proposed territorial agreement would establish the exclusive service territory for Callaway Electric Cooperative for five tracts of land in Callaway County near Fulton.

The joint application states the establishment of exclusive service territories will prevent future duplication of electric service facilities and will also allow electric service customers within the area to know with certainty the supplier of their electric service.

According to the application, the agreement will not require the transfer of any facilities or customers.

Applications to intervene and participate in this case must be filed on or before **January 23, 2007**, with the Secretary of the Missouri Public Service Commission, P.O. Box 360, Jefferson City, Missouri 65102. Copies of the application should be sent to: Andrew J. Sporleder, Andereck, Evans, Milne, Peace & Widger, L.L.C., 700 E.
